comment to: "Smart Metering in Africa":

„Smart metering – transforming Africa’s energy future”

www.ey.com 2013

Comment by Peter Heindl on fb

13Mar2015

Yet another blatant LIE !

"Smart metering — transforming Africa’s energy future"

1) How can a Meter do that ???

2) Only ½ Truths are told - where the significant Matters are covered up - yet again !..

See for yourself: [clac!](#)
